About this form

- 1. This form is to be used to request to address Council via the Public Forum. Council will allow members of the public to address a Council meeting on any local government related matter excluding matters that are:
 - On the Council meeting agenda, or
 - · Any application already lodged with the Council for decision, or
 - That criticises or complains about Councillors or Council staff.

Note: Most matters that are considered by the Council at its Ordinary meetings have already been the subject of consideration by a Committee of the Council. These Committee meetings are structured to allow for less formal debate and consideration of submissions from all parties that have an interest in a matter.

This is in accordance with the provisions of Council's Code of Meeting Practice clause 4.1 and clause 4.2.

- 2. This form must be completed and submitted to Council prior to **5.00pm on the Wednesday** preceding the Council meeting. Requests that are received after **5.00pm on the Wednesday** preceding the Council Meeting will be carried forward to the next Council meeting.
- 3. Please submit your completed form to Council's Governance Department either by delivering in person to Customer Service or by emailing records@woollahra.nsw.gov.au
- 4. Further information in relation to public forums is available on Council's website at woollahra.nsw.gov.au/council/meetings and committees/having your say at meetings.
