

Mobility Parking Bay

Effective from July 2024 to June 2025

Under Road Rules, Roads Act, 1993 and Local Government Act 1993

About this form

Use this form to apply for a mobility parking bay in a residential area.

You must complete all sections of the form. If you need help filling the form out, please contact the Traffic and Transport section to arrange a time. Refer to Council's Disabled Parking Policy available on Council's website.

Assessment can take up to 6 weeks, application DOES NOT guarantee approval. If approved: -

- The on-street mobility parking bay can be used by ANY holder of a MPS Permit
- The Applicant will be required to contact Council to renew the mobility parking bay every year

Please call our Customer Service Centre on (02) 9391 7000 for any assistance.

Conditions *(For full conditions please see Council's Disabled Parking Policy)*

Applications for mobility parking bays will only be considered for residents who have a valid Mobility Parking Scheme (MPS) Permit, and who do not have off-street parking. Residents may be eligible for a mobility parking zone if the following is met:

1. The applicant lives permanently at the residential address in Woollahra.
2. The resident (or their carer) owns a vehicle which is registered at the residential address in Woollahra.
3. The property does not have off-street parking and is located a minimum of 400 metres away from a retail area.
4. There is permissive kerbside parking which will permit the disabled parking zone to be located wholly adjacent to their place of residence (that is, the disabled parking zone will not have to be located adjacent to another person's property).
5. The applicant will have their disability for a 12-month period or more.
6. The applicant can demonstrate that their house is accessible.
7. Council may refuse a mobility parking zone application in areas where parking is in high demand, where an existing mobility parking zone is in close proximity or where alternative parking arrangements are available

Assessment

8. A mobility parking zone application shall be reported to the Local Traffic Committee for approval and subsequently reported to Council for final approval.
9. If the request is granted, one temporary on-street parking space will be sign posted as disabled. There will be no installation of line-marking, logos or ramps for this type of mobility parking space.
10. The Mobility Parking Zone shall be introduced for a trial period of 12 months from the date of signposting installation and will only be extended by request from the applicant.
11. The Applicant shall be required to pay for all costs associated with installing a Mobility Parking Zone in accordance with Council's advertised schedule of fees and charges.
12. The Applicant shall be advised that a Mobility Parking Zone is for use by any vehicle displaying a valid Mobility Parking permit and is not for exclusive use by the Applicant.
13. The applicant must advise Council if their circumstances, under which they made the application for a mobility parking space, change.
14. The applicant must re-apply for the zone to be renewed annually. At the annual review, the Applicant is required to provide proof of currency of their residence, vehicle registration and mobility-parking permit.
15. At Council's sole discretion, it may remove a mobility parking zone at any time, with two weeks' notice to the applicant.
